Every year, we find ourselves working harder, longer, and at a faster pace. Many of us find it impossible to find time to relax, much less create ways to make our jobs more enjoyable. Finally here is an antidote for overstressed workers everywhere. As an expert in personal and professional development, Gini Graham Scott has helped people all over the world find more enjoyment in their work and personal lives. In Enjoy! she shares her secrets for adding fun to life at the office. Using examples from her workshops and interviews with psychologists and recreation professionals, she shows how to relieve stress, anxiety, and tedium from everyday life. Readers will find tips on how to: change their attitudes so they have more fun - bring humor and laughter to the workplace - use relaxation exercises to help them ease tension during the work day - pinpoint what they most appreciate about their job - use fantasy and visualization to conquer boredom - rethink their work goals to avoid frustration and feeling stuck Most of us spend more than a third of our lives at work. Finally, here is the book that can make that part of our lives infinitely more enjoyable.

This new volume features 101 fresh strategies to design and deliver online active training for any topic. Trainers will discover a toolkit full of creative, challenging, and fun ways to enliven learning. Designed so readers can more easily identify strategies that hold the most promise for specific training situations, topics, and learning objectives, as well as providing suggested conditions for each: length of time, number of participants, etc. Each strategy is illustrated with a case example. Also features 20 how-to lists (200 total) that any trainer will find indispensable when facilitating online learning, including practical guidelines for setting up technology, choosing asynchronous vs. synchronous delivery, scheduling for multiple time zones, making lectures active, and much more. In addition to online learning activities for opening, training, and closing for a variety of categories, this volume features best practices from top experts for using social media and common e-learning tools, including PowerPoint and Articulate. Also offers tools and techniques for the full gamut of online learning practices, from gamification and simulations to serious games and m-learning. The strategies and activities in this book are geared to classroom delivery of training. A separate collection is devoted entirely to online learning strategies and activities, em style="font-size: 10px;"101 Ways to Make Online Learning Active. What will continue to set these books apart is the relevance of dozens of new examples, the wisdom and impact of fresh practical tips, and the rigor and expertise supporting dozens of exercises and techniques.

In this endearing collection, the "guru of mommies" offers a wealth of ways to remind children that they are loved. The book's imaginative, hands-on activities and projects help prove the adage that actions speak louder than words. They all can be implemented with little preparation and at little or no cost, making the book a boon for today's busy families.

Turn every workday into a source of satisfaction with this treasure trove of 101 ways to improve productivity, minimize stress and find happiness on the job. For example: #34 Smile Do you smile at work? If not, you may be confusing your serious look with professionalism. The reality is that not smiling just makes you look unhappy. #41 Take Ten The next time you can't get started on a task or project, tell yourself you will only work on it for ten minutes. Chances are you'll stick with it once you've started, but even if you move on after ten minutes, you will have accomplished that much more. "This book offers a collection of simple yet powerful ideas to turn every workday into a great workday."Jeff Anderson, VP Product Management, FranklinCovey

Darkly humorous cartoons show a variety of facetious uses for a deceased pet

Minimalism meets DIY in an accessible guide to household waste reduction We all know how important it is to reduce our environmental footprint, but it can be daunting to know where to begin. Enter Kathryn Kellogg, who can fit all her trash from the past two years into a 16-ounce mason jar. How? She starts by saying "no" to straws and grocery bags, and "yes" to a reusable water bottle and compostable dish scrubbers. In 101 Ways to Go Zero Waste, Kellogg shares these tips and more, along with DIY recipes for beauty and home; advice for responsible consumption and making better choices for home goods, fashion, and the office; and even secrets for how to go waste free at the airport. "It's not about perfection," she says. "It's about making better choices." This is a practical, friendly blueprint of realistic lifestyle changes for anyone who wants to reduce their waste.
