The most authentic things are found everywhere. 1. Tears. For most of us, we think tears only come when we are sad. It is normal to shed tears for the loss of a loved one or something beautiful now gone. But tears are also found in moments of pure bliss, too. Like when a soldier returns home to surprise loved ones after a long deployment.

The 11 Most Authentic Things You Will Ever See

In a medium bowl, combine soy sauce, lime juice, 1 tablespoon canola oil, garlic, chili powder, cumin and oregano. In a gallon size Ziploc bag or large bowl, combine soy sauce mixture and steak; marinate for at least 1 hour up to 4 hours, turning the bag occasionally.

Teaches girls life skills by showing them how to behave like princesses.

It's also about rediscovering your personal style--and yourself.

An easy-to-read guide to horse and pony breeds, horse care, and proper riding and equitation techniques.

An insider's college admissions guide that teaches students to identify and harness their unique passions, stand out from the crowd, and achieve their dreams. Dr. Aviva Legatt has spent her career in higher education as a professor, counselor, and admissions officer in the Ivy League, and she wants to let students in on a secret: admissions offices are sick of seeing the same cookie-cutter applications. What were once considered best practices for "doing high school right" are now so commonplace that they have become a liability. Get Real and Get In teaches readers to think outside of the box and focus on what admissions officers are really looking for—young people who dare to be their most authentic selves. Through engaging, accessible, and empathetic prose, this book forms an inspirational roadmap for readers to uncover their true passions and leverage them to create applications that truly stand out from the crowd. It also features a variety of useful exercises and candid stories from many influential figures, which teach students to look beyond just getting into a "good"

college and focus more actively on identifying and attaining their long term goals. Get Real and Get In is designed to ignite an essential mindset shift in students: stop trying to just “get in” and start figuring out exactly what you want from life and how to get it. Stop managing the impressions you make on admissions officers and start defying impressions. This is an essential guide to cutting through the noise of the admissions process and gaining the confidence to forge one’s own path to success—in college and beyond.

A comprehensive study of the power of differentiation as a key component of any business model, this book includes a step-by-step process to help leaders discover, achieve, express, and sustain their own authentic position. * Provides anecdotes and illustrations from companies and organizations of all sizes and a wide variety of types * Offers a step-by-step process leaders of any organization can apply and benefit from * Draws directly from Kahler Slater's case files

In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within these pages, Anita recounts stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. As part of a traditional Hindu family residing in a largely Chinese and British society, Anita had been pushed and pulled by cultural and religious customs since she was a little girl. After years of struggling to forge her own path while trying to meet everyone else’s expectations, she had the realization, as a result of her epiphany on the other side, that she had the power to heal herself . . . and that there are miracles in the Universe that she’d never even imagined. In *Dying to Be Me*, Anita freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being! This is a book that definitely makes the case that we are spiritual beings having a human experience . . . and that we are all One!

Newbery-winning *Rules* meets *Counting by 7s* in this affecting story of a girl’s devotion to her brother and what it means to be home. When eleven-year-old Thyme Owens’ little brother, Val, is accepted into a new cancer drug trial, it’s just the second chance that he needs. But it also means the Owens family has to move to New York, thousands of miles away from Thyme’s best friend and everything she knows and loves. The island of Manhattan doesn’t exactly inspire new beginnings, but Thyme tries to embrace the change for what it is: temporary. After Val’s treatment shows real promise and Mr. Owens accepts a full-time position in the city, Thyme has to face the frightening possibility that the move to New York is permanent. Thyme loves her brother, and knows the trial could save his life—she’d give anything for him to be well—but she still wants to go home, although the guilt of not wanting to stay is agonizing. She finds herself even more mixed up when her heart feels the tug of new friends, a first crush, and even a crotchety neighbor and his sweet whistling bird. All Thyme can do is count the minutes, the hours, and days, and hope time can bring both a miracle for Val and a way back home. With equal parts heart and humor, Melanie Conklin’s debut is a courageous and charming story of love and family—and what it means to be counted.

For most of his life, David Hampton could tell you what he believed about anything, anytime, at the drop of a hat. He prided himself in how well he could parrot what he d been taught about the Christian doctrine. At some point, he decided to trust the experts with matters regarding his spiritual formation and he learned to spout their words as his own. In so doing, he flipped off the switch in his heart. He didn't want to confuse himself with questions. And he certainly didn't want to explore the issues and people that fell outside the grid of what he understood to be truth. I knew what the Christian subculture wanted, writes David, and how to fit into it. I even knew how to make a living giving it what it wanted. I bought in, signed on, drank the Kool-Aid and even ended up working at the stand. Most confounding to me is that I thought I was being authentic and genuine. And maybe at the time that was even true. It all worked beautifully ... until it didn't. We can never be honest with others until we are honest with ourselves. *Our Authentic Selves* will peel back the layers of your heart and leave you transformed, filled with God s truth, and a transparent follower of Christ who is learning to distinguish what you believe from what you wish you believed.
