Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

This ground-breaking, interdisciplinary volume provides an overdue assessment of how infertility has been understood, treated and experienced in different times and places. It brings together scholars from disciplines including history, literature, psychology, philosophy, and the social sciences to create the first large-scale review of recent research on the history of infertility. Through exploring an unparalleled range of chronological periods and geographical regions, it develops historical perspectives on an apparently transhistorical experience. It shows how experiences of infertility, access to treatment, and medical perspectives on this 'condition' have been mediated by social, political, and cultural discourses. The handbook reflects on and interrogates different approaches to the history of infertility, including the potential of cross-disciplinary perspectives and the uses

Download Free Access To History The Experience Of Warfare In Britain Crimea

of different kinds of historical source material, and includes lists of research resources to aid teachers and researchers. It is an essential ' go-to ' point for anyone interested in infertility and its history. Chapter 19 is open access under a CC BY 4.0 license via link.springer.com.

"From five distinguished scholars comes one approachable and compelling narrative. U.S.: A Narrative History tells the stories of the American people in a concise and visually appealing way. The engaging narrative, crafted by a team of authors representing different eras, regions, topics, and approaches, showcases the diversity and complexity of the American past and guides students to develop a more nuanced understanding of our present and future. This extremely readable program provides opportunities to engage with and
