a scale or compared to the national average. See a national average example at the link below:

ACS Chemistry Exam: What is the ACS Chemistry Exam?

Hey everyone, my college does the ACS standardized Biochemistry exam. It's famously horrible because the Biochemistry professor is bad and the textbook is too. In the process of studying for it, I've found a lot of details we didn't go over or areas we flat out didn't cover at all that may be on it.
