Then/After (Once/Now/Then/After)

As adverbs the difference between after and once is that after is behind; later in time; following while once is (frequency) one and only one time. As conjunctions the difference between

Access Free After Once Now

after and once is
that after is
(signifies that the
action of the clause
it starts takes place
before the action of
the other clause)
while once is as
soon as; when;
after.
