A modern-day Sherlock Holmes, Bernie Quist operates as a consultant detective from Baker Avenue in York. His assistant is Watson, although this Watson is a streetwise youth from the Grimpen housing estate and he's definitely no doctor. The mismatched duo take on bizarre cases which invariably lead into the realms of the supernatural, a shadowy world that, thanks to his dark secret, Quist is all too familiar with. A new exhibition is on display in the York Museum highlighting the infamous Badda sect and an obscure period in local history. Hidden away in North Africa's Atlas Mountains, this secretive cult performed mystical rites and sacrifices to their god, a sinister deity in the form of a huge wolf. Two-thousand years ago, the Romans brought this clandestine religion to Yorkshire, but sickened by their obscene practises, the Emperor Hadrian crushed the sect before it could become established. Quist and Watson suspect the exhibition is connected to the grisly murders which are currently baffling the York police. It can't be a coincidence that these magical artefacts arrived in time for a unique date at the full moon, and how is the glib clairvoyant Kyle Tarot involved in this? The detective's terrified assistant soon wishes the Roman Emperor had been a little more thorough in his effort to stamp out the Badda cult. A dark and very peculiar game is afoot...

From singer-songwriter Josh Ritter, a lyrical, sweeping novel about a young boy's coming-of-age during the last days of the lumberjacks. In the tiny timber town of Cordelia, Idaho, ninety-nine year old Weldon Applegate recounts his life in all its glory, filled with tall tales writ large with murder, mayhem, avalanches and bootlegging. It's the story of dark pine forests brewing with ancient magic, and Weldon's struggle as a boy to keep his father's inherited timber claim, the Lost Lot, from the ravenous clutches of Linden Laughlin. Ever since young Weldon stepped foot in the deep Cordelia woods as a child, he dreamed of joining the rowdy ranks of his ancestors in their epic axe-swinging adventures. Local legend says their family line boasts some of the greatest lumberjacks to ever roam the American West, but at the beginning of the twentieth century, the jacks are dying out, and it's up to Weldon to defend his family legacy. Braided with haunting saloon tunes and just the right dose of magic, *The Great Glorious Goddamn of It All* is a novel bursting with heart, humor and an utterly transporting adventure that is sure to sweep you away into the beauty of the tall snowy mountain timber.
