David Brooks purports to present a new social class, replacing the previous upper middle classes, so aptly described in Fussell's Class: A Guide through the American Status System - namely bobos - the bohemian bourgeoisie. His observations start in the 50s and he follows the transformation of two distinct social groups (historically at loggerheads), namely the bohemians and the bourgeoisie into a merged one.

Bobos in Paradise - Wikipedia
Bobos in Paradise is an American-focused, but brilliant, breezy, and often hilarious study of the "cultural consequences of the information age". Large and influential (especially in terms of their buying power), the Bobos have reformed society through culture rather than politics, and Brooks clearly outlines this passing of the high-class torch by analysing nearly all aspects of life: consumption habits, business and lifestyle choices, entertainment, spirituality, politics, and education.
