Dog Game #1 – Hide and Go Seek. Dogs are natural-born hunters, so they have a deeply embedded desire to track and hunt for things. Of course you don't want your dog "hunting" you, but a friendly game of hide and go seek can quickly satisfy your dog's desire to search and find while also stimulating his brain.

Dog Brain Games Classic games like 'fetch' are lots of fun for you and your dog, but exercise isn't just about running around. Mental exercise is important too, as it can help fight boredom and teach your dog great new skills. Canine brain games can help keep your dog on their toes when it's too rainy to play outside.
