Bread Is Broken - The New York Times

When bakers and chefs discovered that wheat varieties number in the tens of thousands, and that flour, milled fresh from the whole grain, brings out distinctive flavors, the Bread Lab was the next logical step. Dr. Stephen Jones, the founder and director of the Bread Lab, designed the mission to combine science, art, curiosity, and innovation to move forward whole grain milling, baking, cooking, malting, brewing and distilling using regionally available grains.
