Is life insurance a bad investment? Don't I lose all my cash value when I die? Shouldn't I just make a bundle and invest it instead? What about my spouse or my kids-do they need life insurance? Can I borrow money from (or is it against?) a life insurance policy? My insurance advisor told me one thing about insurance, but my financial planner gave me different advice, and an expert on TV said something else entirely. What do I do now? Help! Every day, people like you and me run into questions like these-and no good answers. The truth about life insurance is that myths, misunderstandings, and even outright lies cause a lot of uncertainty around what it is, how it works, who needs it and when, and-most importantly-the great benefits it can bring to your life. This book is here to clear up all that confusion. With combined experience of over fifty years in the life insurance industry, Kim Butler and Jack Burns know what's true and what isn't. They've seen what works and what fails. They've lived through every success and failure the industry can throw at them. And they're fed up with seeing smart, well-meaning people fall for costly half-truths and mix-ups because they just can't find the right information. Busting The Life Insurance Lies takes the 38 biggest, loudest myths around life insurance and breaks them wide open. Whether you're wondering if life insurance is right for you, wanting to understand how it can help you while you're still alive, or even an insurance advisor yourself, this book will guide you to the answers you need to make the clearest, most informed decision-one you'll feel good about for the rest of your life.

"Live Your Life Insurance" shows you exactly how you can take advantage of one of the most common, but misunderstood, financial tools. In it, you'll discover exactly how you can use your life insurance to benefit you while you are alive - and help you build financial security. In addition, it will reveal ways to make the best of your policy no matter what age you are. Most people don't realize what a powerful tool they have in their life insurance policies - this book will be your guide.

America's elite have been using cash value life insurance to stockpile wealth for centuries. Used correctly, it is better described as a personal bank on steroids, and a financial bunker for tough times. To be clear, this book is not about the typical garbage peddled by most insurance agents. Rather, an alternative to the risky investment strategies taught by Wall Street. It details a highly efficient form of cash value life insurance designed to supercharge your savings and stockpile wealth. A product so powerful it's responsible for the success of Walt Disney, JC Penney, Ray Kroc, and thousands of others. Here's what you'll discover: How the wealthy use this vehicle to create more wealth, take less risk, and create predictable income down the road Why banks and corporations place billions of dollars in this powerful vehicle How I earned over 300 percent returns leveraging my life insurance policies How you can create a safe, predictable foundation to enhance every financial decision you make How to win with taxes and keep more of the money you make While the information compiled into this book is valuable, you'll also find three case studies that show you exactly how it works. You'll be able to visually see how it grows, how it's accessed, as well as the future income that can be taken. \_\_\_\_\_ Influencers of this book are Nelson Nash, his book "Becoming Your Own Banker: Unlock the Infinite Banking Concept"; Pamela Yellen, her book "Bank on Yourself"; Dwayne Burnell, his book "Financial Independence in the 21st Century - Life Insurance \* Utilize the Infinite Banking Concept \* Compliment Your 401K - Retirement Planning With Permanent Whole Life versus Term or Universal - Create Financial Peace"; and my Father Dan Thompson, and his book "The Banking Effect: Acquiring wealth through your own Private Banking System." I was introduced to these financial strategies at a young age, and this is book represents the effort and energy on both the part of everyone of my mentors, these authors here, as well as my own diligence in learning about and implementing these very same strategies into my personal finances. This book is designed to simplify some of the concepts surrounding cash value life insurance, such as Infinite Banking and Bank on Yourself, and make them easier to understand, stripping them down to the core benefits of cash value life insurance.

If you think that real estate investment is risky, costly, time-consuming, and complicated, think again. Investing in real estate is actually the smartest, most powerful tactic to create a reliable, passive form of income-if you use it right. In Busting the Real Estate Investment Lies, real estate expert Jimmy Vreeland has teamed up with life insurance guru Kim Butler to show you how to break the middle class myth and find financial freedom through the time-tested method of combining real estate with whole life insurance. Tackling the eight most common misconceptions about real estate investment-from thinking debt is bad to believing property ownership will eat your time-they lay out their proven eight-step plan for strategically building wealth. This isn't some get rich quick scheme, destined to crash and burn. This is your chance to truly reclaim financial freedom through steady, dependable income.

Wealth advisors looking to gain a better understanding of the proper selection, use, and management of life insurance agree The Wealth Advisors Guide to Life Insurance is the concise handbook they have been looking for. As an advisor said, it "deserves a place in every wealth advisor's reference library." Easy to read the book "takes a complicated subject and makes it easy to digest." Written by an industry expert who has managed life insurance for fiduciaries nationwide for over a decade, the book will be an "essential resource" for you providing the knowledge you need to help your clients maximize the benefits of life insurance. As one industry expert said after reading the book... "there are other fine books on life insurance...but none as concise and readable." A user-friendly guide to making expert decisions on life insurance policies.

Insurance can be confusing and expensive, but it's also necessary protection from risk. To alleviate that confusion, Tony Steuer has created a comprehensive guide to insurance—from how to calculate your ideal level of coverage to avoiding fraud—using the familiar metaphor of professional football. Your agents act as your coaching team, and each type of insurance is a player on your team, covering a different position. Let's see who's on the roster: ?\* Auto insurance • Disability insurance • Health insurance, including Medicare • Homeowner's/renter's insurance • Life Insurance • Long-term-care insurance • Annuities Insurance coverage is a personalized product, based on a specific need to cover a risk. Don't overpay for the wrong coverage. Draft the right players now with Insurance Made Easy.

This back-to-basics guide by investment guru John E. Girouard reveals how investment industry sales people give shoddy advice and sell poorly-designed investment "products" aimed at enriching themselves and their firms at customers' expense. "The Ten Truths of Wealth Creation is not a recipe for getting rich, but an honest look at the common mistakes many make in thier financial lives, and how readers can unlock the natural money-growing opportunities that those selling investment "products" never talk about. Girouard explains how income is often taxed multiple times, how financial choices can minimize those taxes, and how those saved dollars can add up and grow wealth. Girouard shows how simple, common sense choices can help readers reach their money goals sooner and safer, in good times and bad.
