Well folks, this image proved that beyond a shadow of a slight reasonable doubt that "The Cat" was responsible for the JFK assassination.

To Kill a Mocking Cat

To Kill a Mockingbird. Jem gave a reasonable description of Boo: Boo was about six-and-a-half feet tall, judging from his tracks; he dined on raw squirrels and any cats he could catch, that ' s why his hands were bloodstained—if you ate an animal raw, you could never wash the blood off. There was a long jagged scar that ran across his face; what teeth he had were yellow and rotten; his eyes popped, and he drooled most of the time.

To Kill a Mocking Cat: 2010

In To Kill a Mockingbird, each character is rendered with precision. From a young girl imbued with her older self ' s perspectives to the inner life of a servant, Lee makes choices with her characters that add meaning to the plot ' s events and realism to the setting. That realism imbues Lee ' s themes of racism, equality, and the trap of ...

cat to kill a mockingbird | Meme Generator

To Kill a Mockingbird focuses on that gut instinct of right and wrong, and distinguishes it from just following the law. Even the titular quote: "Shoot all the blue jays you want, if you can hit 'em, but remember it's a sin to kill a mockingbird" is in itself an allegory for this message.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Study Guide by Andrew Clausen, for the 1961 Pulitzer Prize winning novel. Written by Harper Lee (1926-) and published in 1960, To Kill a Mockingbird is her only novel. She grew up in the small town of Monroeville, Alabama, and drew upon many experiences and places that she knew as a child to create her novel's setting. In the sleepy southern town of Maycomb, Alabama, Scout Finch and her brother Jem revel in the glory days of childhood, trading stories and superstitions with Dill Harris, the imaginative nephew of their neighbor. Dill is especially fascinated with the legends surrounding the mysterious Boo Radley, who stays in his house all day, but, according to rumors, comes out at night to dine on squirrels and cats and peek in windows. Their summer days are spent adding to the Boo Radley legends or devising ways to make Boo come out. As Scout becomes increasingly uneasy about playing games that revolve around Boo Radley, she is guided by the wisdom of her father, Atticus, and Calpurnia, their cook. Scout is learning the ways and unwritten rules of southern society and how to get along in it. Atticus is a lawyer with an extremely difficult case on his hands. Tom Robinson, a black man, has been accused of raping a white girl. With deep-seated prejudices working against him, Atticus must prove his client's innocence. Scout and Jem watch while their otherwise civilized neighbors show subtle disapproval or outright distate for Atticus's defense of a black man. While Atticus struggles to do the right thing, Scout struggles with her Aunt Alexandra, who has come to live with them. Aunt Alexandra is set on making Scout into a refined southern lady by instilling in her the rules of social decorum. Atticus is more concerned that his children simply do what is right. Meanwhile, the trial of Tom Robinson reaches its conclusion, and tragedy befalls. All the while, Atticus is challenging the very structure of southern society and the prejudices around him.

Dramatization of the story about the explosion of racial hate in an Alabama town as viewed by a little girl whose father defends a black man accused of rape.

A historic literary event: the publication of a newly discovered novel, the earliest known work from Harper Lee, the beloved, bestselling author of the Pulitzer Prize-winning classic, To Kill a Mockingbird. Originally written in the mid-1950s, Go Set a Watchman was the novel Harper Lee first submitted to her publishers before To Kill a Mockingbird. Assumed to have been lost, the manuscript was discovered in late 2014. Go Set a Watchman features many of the characters from To Kill a Mockingbird some twenty years later. Returning home to Maycomb to visit her father, Jean Louise Finch—Scout—struggles with issues both personal and political, involving Atticus, society, and the small Alabama town that shaped her. Exploring how the characters from To Kill a Mockingbird are adjusting to the turbulent events transforming mid-1950s America, Go Set a Watchman casts a fascinating new light on Harper Lee ' s enduring classic. Moving, funny and compelling, it stands as a magnificent novel in its own right.
