The subtitle of Benn's book is "everyday life in the Tang dynasty" and appropriately so. The first chapter provides a brief history of the T'ang, from its founding in 618 to its replacement by the Sui in 881. The overview is brief, but it provides context for the details that follow. It was precisely these details that I found most intriguing, as Benn provides an ethnography of all aspects of life in medieval China from all strata of society.
