Everyone talks about style, but no one explains it. The authors of this book do; and in doing so, they provoke the reader to consider style, not as an elegant accessory of effective prose, but as its very heart. If only people learned the principles of verbal correctness, the essential rules, wouldn't good prose simply fall into place? Thomas and Turner say no. This must direct my counseling or it does not qualify as 'Christian.'" He has been seriously engaged in the study of Psychology and Theology since 1974, beginning as a student at the Fuller Theological Seminary Graduate School of Psychology.
