Outstanding List of Dissertation Topics In 2019 | Edusson Blog

History of technology, the development over time of systematic techniques for making and doing things. The term technology, a combination of the Greek technē, "art, craft," with logos, "word, speech," meant in Greece a discourse on the arts, both fine and applied. When it first appeared in English in the 17th century, it was used to mean a discussion of the applied arts only, and ...
