In this thrilling, no-holds-barred memoir, WWE Champion Drew McIntyre tells the incredible roller-coaster story of his life, from a small village in Ayrshire, Scotland, to the bright lights of WWE. From a young age, Drew McIntyre dreamed of becoming WWE Champion and following in the footsteps of his heroes Stone Cold Steve Austin and Undertaker. With his parents' support, he trained and paid his dues, proving himself to tiny crowds in the UK's Butlin circuit. At age twenty-two, McIntyre made his WWE debut and was touted by none other than WWE Chairman Vince McMahon as "The Chosen One" who would lead WWE into the future. With his destiny in the palm of his hands, Drew watched it all slip through his fingers. Through a series of ill-advised choices and family tragedy, Drew's life and career spiraled. As a surefire champ, he struggled under the pressure of expectations and was fired from the company. But the WWE Universe had not seen the last of this promising athlete. Facing a crossroads, the powerful Scotsman set a course to show the world the real Drew McIntyre. Buoyed by the support of his wife Kaitlyn, and the memory of his beloved mother, Drew embarked on a mission to recharge, reinvent, and revitalize himself to fulfill his destiny. Chosen Destiny is a story of grit, courage, and determination as a fallen Superstar discovers who he truly is and storms back to reclaim his dream.

Learn about Daniel Bryan and how he rose to fame as one of the WWE's brightest Superstars!

When Daniel Bryan, aka Bryan Danielson, won the WWE World Heavyweight Championship at Wrestlemania XXX, his legacy as a fan favorite, talented athlete, and inspiring figure was cemented. A tough injury hasn't lessened his draw, though, with fans cheering his signature "Yes!" chant each time he appears. This book covers the life and career of one of the most beloved modern WWE superstars in age-appropriate language perfect for struggling readers. High-octane photographs of Daniel Bryan throughout his career only make the main text more exciting.

Often we read the book of Daniel in one of two ways--either as a book about a heroic man whose righteousness should inspire us to keep the faith no matter what our circumstances, or as a roadmap to the end times that can, through careful study, perhaps tell us the day and hour (or nearly so) of Christ's return. Both, says Bryan Chapell, are sadly missing the bigger picture, that God is the hero of this story and he is in the midst of his unrelenting plan to rescue his people from their sin and its consequences. We mustn't simply make the man Daniel the object of our worship nor the subject of our debates. We may differ about prophetic details, Chapell says, but we should never miss the point that the book of Daniel is, like all of Old Testament Scripture, pointing us toward the grace of God, ultimately revealed in Christ. Pastors, teachers, and individual Christians studying the book of Daniel will find this volume a welcome addition to their library.
