Deutsch: Na klar! engages students with its unique integration of authentic materials and targeted listening and speaking activities, contemporary culture and communicative building blocks, providing the tools they need to build a solid foundation in introductory German. Communicative Competence: The program supports the communicative goals of the course by engaging students with authentic materials in print, audio, and video and puts the students into the kinds of situations they would encounter in any German-speaking environment. The program has been carefully designed to get students to communicate in a controlled way at first, then in a progressively more open-ended fashion, on a variety of topics that affect their own lives. In Connect German, students have full access to the digitally enhanced eBook, the online Workbook/Lab Manual activities, LearnSmart, and all of the accompanying audio and video resources, giving them the ability to interact with the materials as often as they wish. Cultural Competence: Deutsch: Na klar! engages students in cross-cultural comparisons and analysis- express opinions, summarize, and synthesize texts, and narrate events- throughout the program. The cultural program's meaningful and extensive exploration of the German-speaking world is fully supported in Connect German through audio and video resources and interactive activities. Mobile Tools for Digital Success: Connect German, McGraw-Hill's digital teaching and learning environment, is now mobile enabled for tablets, allowing students to engage in their course material via the devices they use every day. The digital tools available in the Connect German platform facilitate student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peer-editing writing tools, sophisticated reporting, and a complete e-book with embedded audio, video, and grammar tutorials. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. \*Connect German, including but not limited to the workbook/lab manual, LearnSmart, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

learning strategies. Teaching & Learning Experience Student-Centered, Communicative Approach – Builds students’ ability to communicate in German in all modes of communication. Connect with Culture - Heavily updated culture sections encourage students to become a part of today's community of German-speaking cultures. Explore Grammar - Extensive revisions to grammar presentation and sequencing facilitate student comprehension and optimize teaching. Build Vocabulary - Updated vocabulary sections and exercises reflect new chapter content and a more contemporary focus. Develop Skills - New readings and a more central role for video strengthen the cyclical approach of the text that links skills, grammar, and vocabulary in a way that mutually reinforces all four skills. Personalize Learning – The proven success of MyLanguageLabs will be available for fall 2012 courses via MyGermanLab to accompany Treffpunkt Deutsch , 6e. Note: MyLanguageLabs does not come automatically packaged with this text. DEUTSCH HEUTE successfully develops the skills of introductory German students by maintaining a focus on listening, speaking, reading, and writing. Manageable for two-semester courses, the 10th edition covers grammar in a logical sequence. Each chapter contains many function-based activities that focus on specific emotional expressions. Students are introduced to contemporary life and culture in German-speaking countries through a cast of recurring characters who appear in the “Bausteine für Gespräche” (dialogues) and some readings and exercises.
