Mudlarking on the River Thames! An Introduction for Beginning Mudlarkers Disasters On The Thames

The Princess Alice sank in the River Thames on 3 September 1878, killing hundreds of ordinary Londoners returning home from a day trip to the seaside. The tragedy, now largely forgotten, dominated...

Princess Alice disaster: The Thames' 650 forgotten dead ...

Throughout the centuries the River Thames has claimed the lives of crews of small boats and large naval warships, the scale of the tragedies growing with the sizes of the vessels involved. The danger to shipping was often accepted as a necessary risk in order to keep trade flowing into London and many of the earlier tragedies, before news was so widely transmissible, have been largely forgotten today.

Disasters on the Thames: Amazon.co.uk: Foley, Michael ...

The Marchioness disaster was a collision between two vessels on the River Thames in London in the early hours of 20 August 1989, which resulted in the deaths of 51 people. The pleasure steamer Marchioness /m\u00e0r\u00e7\u00f3n\u00e9s/ sank after being hit twice by the dredger Bowbelle at about 1:46 am, between Cannon Street railway bridge and Southwark Bridge. Marchioness had been hired for the evening for a birthday party and had about 130 people on board, four of whom were crew and bar staff. Both ...

Mapped: Britain's Worst Disasters | Londonist

SS Princess Alice, formerly PS Bute, was a passenger paddle steamer that sank on 3 September 1878 after a collision with the collier Bywell Castle on the River Thames. Between 600 and 700 people died, all from Princess Alice, the greatest loss of life of any British inland waterway shipping accident. No passenger list or headcount was made, so the exact figure of those who died has
