Grim Fandango Puzzle Document. The Grim Fandango Puzzle Document is the game ' s initial design document, used to pitch Grim Fandango to LucasArts so that it could be developed. It contains designer Tim Schafer ' s vision of the entire game before any of it was built, which is remarkably consistent with what was eventually put together. It includes a significant amount of cut content — characters, locations, and backstory that never made it into the final game.

This was overall a very nice puzzle. It was a great challenge and looks very nice completed, but the text of the document was mostly too small to read to try and piece together by knowing the words of the Constitution. I tried to use a magnifying glass, but it was not helpful since it only enlarged illegible script. But overall, I really liked it!
