The Innocent Anthropologist is a cultural dive into the deep end. Written in the early 1980s by anthropologist Nigel Barley, it describes the author's first attempt at fieldwork in Africa. The result, built around us and others, is shocking and funny, and bashed about with the perils of first hand observation.

The Innocent Anthropologist by Nigel Barley The Innocent Anthropologist is an entertaining and amusing tale about Nigel Barley's first experience of fieldwork when he goes out to West Africa to live with the Dowayo – a little-understood pagan tribe in the mountains of Northern Cameroon.

~~The Innocent Anthropologist by Nigel Barley | Vulpes Libris~~

This is an utterly hilarious account of an anthropologist going off into his first field assignment in Cameroon. He has a wittiness that reminds me, oddly enough, of the way that Hugh Grant's characters often poke fun at themselves in movies. It's totally British, totally honest, and utterly candid.
