In 1933 the Loch Ness monster's legend began to grow. At the time, a road adjacent to Loch Ness was finished, offering an unobstructed view of the lake. In April a couple saw an enormous animal—which they compared to a "dragon or prehistoric monster"—and after it crossed their car's path, it disappeared into the water.

According to Chinese mythology, a Nian is a beast that lives under the sea or in the mountains. The character nian more usually means "year" or "new year". The earliest written sources that refer to the nian as a creature date to early 20th century. As a result, it is unclear whether the Nian creature is an authentic part of traditional folk mythology or a part of a local oral tradition which was recorded in the early 20th century. Nian is one of the key characters in the Chinese New Year with s
