year-old Emily Windsnap has lived on a boat. And, oddly enough, for just as long, her mother has seemed anxious to keep Emily away from the water. But when Mom finally agrees to let her take swimming lessons, Emily makes a startling discovery — about her own identity, the mysterious father she ’ s never met, and the thrilling possibilities and perils shimmering deep below the water ’ s surface. With a sure sense of suspense and richly imaginative details, first-time author Liz Kessler lures us into a glorious undersea world where mermaids study shipwrecks at school and Neptune rules with an iron trident — an enchanting fantasy about family secrets, loyal friendship, and the convention-defying power of love.

Emily Windsnap must travel through time in order to save the people of her hometowns — both human and merfolk — in the exciting ninth book of the New York Times best-selling series. When Emily makes a wish on a magic stone, she gets a glimpse of what the future holds — and it ’ s a disaster! She tries to make things right, but each trip through time takes Emily to a future where things turn out badly for either the humans of Brightport or the merpeople of Shiprock. Plastic pollutes the ocean, garbage overflows the landfills, and the two towns are no longer getting along. Emily realizes she can't save her hometown and the ocean alone, but with help from her best friends, Shona and Mandy, she ’ ll have to find a way to get humans and merpeople to work together. Will Emily be able to create a better future for everyone, including herself? This new adventure gives readers a glimpse at what Emily and her friends could be like as grown-ups, with a fresh story that explores how uniting communities can make a future that ’ s bright for everyone.

A class trip to a beautiful island is overshadowed by a local myth about a mysterious ship that may have ties to the lost city of Atlantis.

Follow the siren call to Emily ’ s magical new adventure! Can the spunky half-mer girl pass Neptune ’ s test--and help humans and merpeople get along? (Ages 8-12) Emily Windsnap is finally enjoying a swimmingly peaceful life on Allpoints Island, hanging out with her mermaid BFF, Shona, and her new friend Aaron (half-merperson like herself). But their idyll is cut short when Emily learns that the Windsnaps and friends must return to their old home in Brightport, where construction projects are threatening a secret mermaid community under the sea. Neptune ’ s mandate? No less than an interspecies intervention to bring merpeople and humans together, a task the imperious god feels the mixed Windsnap family is well suited for. There are just a few snags for Emily, however, like dealing with old nemeses Mandy and Mr. Beeston, figuring out her feelings toward Aaron, and untangling a high-suspense mystery related to a group of legendary lost sirens. Everyone ’ s favorite half-mermaid is back with a splash in a sparkling new adventure her fans will be eager to get their fins on.

Emily Windsnap ends up surrounded by pirates — and on a life-changing adventure — in the eighth installment of the New York Times best-selling series. Traveling home by cruise ship should be a relaxing break after Emily ’ s latest adventure, but things take a turn when the ship is overtaken by a pirate king and his crew. After the pirates collect everyone ’ s riches, they steal something even more valuable: Aaron. The pirate king ’ s eldest son takes Aaron captive, forcing him to help guide the pirates to the mythical Trident ’ s Treasure. So Emily dives into action and joins the younger son ’ s crew in hopes of saving Aaron. But while experiencing life on the waves, Emily is surprised to find herself not only enjoying the pirate life, but actually bonding with the crew — especially Sam, the pirate king ’ s son. Between helping Sam unravel riddles to beat his brother to the treasure and making sure that her friends are safe, Emily realizes that she needs to be true to herself. Will she cast aside her mermaid life to join her new friends, or will she find a way to follow her own path?

The New York Times best-selling series continues with the half-mermaid embarking on an icy and perilous journey to the Land of the Midnight Sun. Strange storms are blowing up from the ocean, caused by the nightmares of Neptune, King of the Sea. Convinced that his dreams herald an approaching threat, Neptune enlists half-mermaids Emily Windsnap and Aaron for a top-secret mission to find and eliminate the source of

the trouble. But Emily and Aaron quickly get in over their heads in the frigid waters of the frozen north. Deep within an alpine lake where magical reflections show what could be rather than what is, the two discover a trove of stolen memories and Neptune ' s darkest secret. Double-crosses and double-takes abound in Liz Kessler ' s fifth magical mermaid adventure.
