sobre el Nuevo Testamento. Abarca la vida de Cristo, desde la selección premortal como el Cordero de Dios a través de Su nacimiento e infancia. Luego seguimos al Maestro durante el primer año de Su ministerio, de como es tentado, bautizado, hace milagros, selecciona a los Doce Apóstoles, y luego enseña con parábolas y en el Sermón de la Montaña durante el segundo año de Su ministerio, Él enseña el sermón del Pan de Vida, se transfigura y otorga las llaves del sacerdocio a los Doce. Termina el segundo año de Su ministerio en Jerusalén, donde se declara a Sí mismo la Luz del Mundo, el Hijo de Dios y el Mesías. La cubierta exhibe la imagen clásica de "El Sermón de la Montaña", pintado por Carl Heinrich Bloch en 1890.

The Life Span: Human Development for Helping Professionals, 4/e, provides an in-depth look at the science of human development, highlighting theories and research that have useful applications for individuals working in fields such as education, counseling, and social work. The main purpose of this book is to provide the reader with information that can be translated into professional “ best practice ” applications.

Throughout, the text reflects the contemporary view that life span development is a process deeply embedded within and inseparable from the context of family, social network, and culture. Because the book is designed for graduate students, most topics, especially those that have special relevance to helping professionals, are covered in greater depth than in a typical life span text. The expanded coverage of

“ This book is unique in that it is research-based, includes comprehensive coverage of important course topics, and offers helping professionals information about human development that will enhance service provision to clients across the lifespan. ” --Mary M.

Chittooran, Saint Louis University “ The writing style is clear, interesting and engaging and is at a level appropriate for my students.

Nicely done. . . . [The] case studies [and] developmental psychopathology sections are strengths. . . . [The book is] well organized, well-written, broad-based . . . , [and] insightful. [I]

especially liked the authors ' focus on practical and applied therapies, as well as their emphasis on research-based therapies that incorporate sound principles of human developmental. ” --Rosalie A. Rohm, Ball State University “ This readable, well organized text addresses the depth and scope of development. The text extends students knowledge of the material by providing a wealth of applicable information for those who are or will be in a helping profession. . . . [Compared to other available texts, this one is] far superior in terms of the balance of scope and depth. ” --Kathryn Cooper, Northern Colorado University

Human Development & Performance Throughout the Lifespan, 2nd Edition is ideal for occupational therapy, physical therapy, and other rehabilitation disciplines. It provides a broad, occupation-based viewpoint of development and performance throughout all life stages

with an emphasis on the factors that influence daily participation and optimal performance of desired daily life tasks. The authors use a life course conceptual model as an organizational foundation for clinical reasoning to help readers understand how to implement the activity- and participation-based goals and outcomes for therapy. Written by an occupational therapist and a physical therapist, the book incorporates chapters by leading experts in human development, giving users cutting-edge information and a wide range of perspectives. By integrating information from the International Classification of Function and Disability (ICF) with a developmental life-task perspective, the book gives both newcomers and experienced professionals an essential, contemporary frame of reference.
