As a child, I read the Moomin books by Tove Jansson back in the 1950s and was delighted to find they are available through Amazon in excellent and reasonably-priced hardcover editions, with the wonderful illustrations intact. "Finn Family Moomintroll" was always my favorite and is still, though they are all good.

Finn Family Moomintroll eBook online Read

Finn Family Moomintroll (Hardcover) Published October 5th 2017 by Sort of Books. Special Collectors' Edition, Hardcover, 173 pages. Author (s): Tove Jansson, Elizabeth Portch (Translator) ISBN: 1908745649 (ISBN13: 9781908745644) Edition language:

Make friends with the Moomins in this exciting interactive board book, with a moving mechanism in every scene.

When a grumbling volcano causes Moominvalley to flood, the Moomins escape by boat, finding refuge on a floating theatre. Adventures abound when the theatre casts adrift leaving Moomin,The Snorkmaiden and Little My marooned. Will they all be reunited before the final curtain?

Moomintroll, Sniff, and Snufkin, who live in the forests of Finland, find a hobgoblin's hat.

Presents the complete comic series featuring Tove Jansson's observations of everyday life.

A huge wave has crashed through the valley, flooding the Moomins out of their home! With their usual resilience, the Moomins and their friends move into the first house that comes bobbing along. It's strange-looking, like a big cave with curtains hanging on either side. And when the house bumps into dry land and Moomintroll and the Snork Maiden decide to spend the night on shore—then the adventure really begins. Moomintroll and the Snork Maiden get lost, and Moominpappa decides to write a play which they will perform in the house, in the hope that Moomintroll will hear about it and find his way home. "Moominsummer Madness," the fourth in Tove Jansson's classic series of books about Moominvalley, is enchanting and full of exciting adventures and surprises, some of them odd even by Moomin standards!

When Moomintroll learns that a comet will be passing by, he and his friend Sniff travel to the Observatory on the Lonely Mountains to consult the Professors. Along the way, they have many adventures, but the greatest adventure of all awaits them when they learn that the comet is headed straight for their beloved Moominvalley.

A virtual memoir in letters by the beloved creator of the Moomins Tove Jansson's works, even her famed Moomin books, fairly teem with letters of one kind or another, from messages bobbing in bottles to whole epistolary novels. Fortunately for her countless readers, her life was no different, unfolding as it did in the letters to family, friends, and lovers that make up this volume, a veritable autobiography over the course of six decades—and the only one Jansson ever wrote. And just as letters carry a weight of significance in Jansson's writing, those she wrote throughout her life reflect the gravity of her circumstances, the depth of her thoughts and feelings, and the critical moments of humor, sadness, and grace that mark an artist's days. These letters, penned with characteristic insight and wit, provide an almost seamless commentary on Jansson's life within Helsinki's bohemian circles and on her island home. Shifting between hope and despair, yearning and happiness, they describe her immersion in art studies and her ascension to fame with the Moomins. They speak frankly of friendship and love, loneliness and solidarity, and also of politics, art, literature, and society. They summon a particular place and time reflected through a mind finely attuned to her culture, her world, and her own nature—all clearly put into biographical and historical context by the volume's editors, both longtime friends of Tove Jansson—and, in the end, draw a complex, intimate self-portrait of one of the world's most beloved authors.

Set in Moominvalley where everyone is welcome, there are three stories to treasure in this stunning collection, based on Tove Jansson's beloved and classic chapter books - introducing readers to the charming Moomins and their warm-hearted way of life.

Tove Jansson's Moomin characters and books are admired the world over. In the United States the series beginning with Finn Family Moomintroll (first published in English in 1945) has accumulated generations of fans. Since Farrar, Straus and Giroux began reissuing the books in 1989, grateful readers old and new have been thrilled to have the stories available again. At last the final installment is being published – oddly, the only book that features none of the Moomin family themselves, though it does take place at their house. There familiar characters converge – Snufkin, the Hemulen, Fillyjonk, and others – seeking out the Moomins' welcoming company, only to find them absent. All remain at the house, all have very different personalities that clash often, but something about their homey cohabitation during the icy winter changes each visitor in a gratifying way. As The Times Literary Supplement put it, Moominvalley in November is "possibly the cleverest of the Moomin books."
