~~Chastity works best when it is both a carrot and a stick. By making sure there is a release date on the horizon, less experienced chastised men will have less trouble accepting their condition. Of course, it is absolutely vital in this type of arrangement that your man knows that serious infractions or behavior that greatly displeases you will get that date pushed back. Without this threat ...~~

EVOTION WEARABLES CUSTOM CHASTITY

Frenum piercings are a common first penis peircing, as they are easy to sit through and healing tends to be relatively quick and uncomplicated (usually within six to eight weeks). Traditional placement is through the loose skin on the underside of the penis, slightly back from the frenulum. Placement usually corresponds roughly with the circumcision scar on circumcised clients, or further back ...
