French, like English, can be very difficult in terms of pronunciation, due to intricacies like silent letters, multiple sounds for a single letter, and endless exceptions to whatever rules you find. This site contains numerous lessons which explain the rules and exceptions of French pronunciation in great detail, which is fine for advanced students but can be very confusing for beginners.

Beginner's Guide to French Pronunciation

Most French pronunciation guides are really only about pronunciation rules for the language. They tend to fall short of teaching you how to actually hear and pronounce said sounds.

In French 'and' is very easy and simple to remember: the word is *et* and it is phonetically pronounced *eh*. Don't ever pronounce the 't'. There is something called *liaison* in French where a silent letter at the end of a word is sometimes pronounced to link it to the next word. You never ever make a *liaison* with *et* in French.
