The only fault I can find is that although called Fresh Bread in the Morning', there is not a huge amount of discussion and information about using the delay timer function. This is something I would have liked more about, as although I have used it, I have forgotten the tips and hints I had assimilated over the years.

*Amazon.co.uk:Customer reviews: Fresh Bread in the Morning ...*

How to have real fresh bread in the morning? Yesterday I made some lovely Chilean bread rolls (hallullas for anyone familiar with them) for easter morning. I ate two yesterday and they were divine! I let them cool completely before storing in a paper (bread) bag. To my dissapointment they were very dry and chewy this morning.
