Fundamental Beliefs. Seventh-day Adventists accept the Bible as the only source of our beliefs. We consider our movement to be the result of the Protestant conviction Sola Scriptura—the Bible as the only standard of faith and practice for Christians. Currently, Adventists hold 28 fundamental beliefs that can be organized into six categories—the doctrines of God, man, salvation, the church, the Christian life and last day events.

To love God is to love His Word. This truth is exactly what is at stake in the many theological battles through the centuries over bibliology (the doctrine of the Bible). Against the heretic Marcion, the church maintained that all the Scriptures, the Old Testament as well as the New, are the Word of God.

Academic questions? Not according to Jack Cottrell. He believes our answers to questions like these decide whether we'll win against Satan's battle for our mind and soul. How should you answer these questions? What do you know about the essentials of Christian faith? In a world that says truth doesn't matter, discover what God says about these basics. In a culture that emphasizes feelings over facts, consider what God says you must believe - and why. Seven readable chapters explain foundational principles in language everyone can understand. The book is perfect for groups as well as for your own

individual study.

The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination. He put his theory into practice last winter in his own church, and these sermons are the result. We were having a great many accessions to our church. In the two years of the church's history we had had something like six hundred accessions to the church, and every month considerable numbers of new members were being added. While many of these came by letter from other churches, many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith, so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith. There was immediately a large increase in the attendance at the services where these addresses were given, and this increase has kept up until on the last Lord's Day we had much the largest attendance we have ever had, excepting on Easter Sunday. Many have testified to the blessing received from these sermons, and there has been a great demand that the sermons be printed for general circulation. This request has come from ministers of various denominations, Episcopalians, Presbyterians, Methodists, Baptists, and others. It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work, and also that it may be used widely by pastors and others for circulation among Christians. We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith. These sermons have already helped many through their delivery. It is hoped they will reach and help far more in the printed form.

This one volume contains all 12 volumes (90) essays of the original work. There is a linked table of contents to each of them. The Fundamentals: A Testimony To The Truth is a set of 90 essays published from 1910 to 1915 by the Bible Institute of Los Angeles. The essays were designed to affirm, among other things, conservative Protestant beliefs, especially those of the Reformed tradition, and defend against ideas deemed inimical to them. They are widely considered to be the foundation of modern Christian fundamentalism. The essays set out what was believed to be the fundamentals of Christian faith. The volumes defended orthodox Protestant beliefs and attacked higher criticism, liberal theology, Catholicism socialism, Modernism, atheism, Christian Science, Mormonism, Millennial Dawn, Spiritualism, and evolutionism. Not every Christian should go to seminary, but there are certain teachings of the Bible that every Christian must know. Theology is important because what we believe affects how we live. Whether you're a relatively new believer in Jesus or a mature Christian looking for a better understanding of basics of the faith, Christian Beliefs is for you. This readable guide to twenty basic Christian beliefs is a condensation of Wayne Grudem's award-winning book Systematic Theology, prized by pastors and teachers everywhere. He and his son, Elliot, have boiled down the essentials of Christian theology for the layperson and made them both clear and applicable to life. You will learn about the Bible, the characteristics of God, what it means that we are created in the image of God, what God has done for us in Christ, the purpose of the church, and much more. Each chapter includes questions for personal review or group discussion. "These truly are twenty basic beliefs that every Christian should know. Wayne Grudem is a master teacher with the ability to explain profound truths in simple language. He is a man of deep conviction and theological passion--and those who read this book will be both educated and encouraged in the faith." --R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary, Louisville, Kentucky "Based on Systematic Theology, this summary will certainly help beginners with Christ to get the hang of their faith." --J. I. Packer, Regent College, Vancouver, British Columbia "As Wayne Grudem's Systematic Theology contracts into a compact book, I do not lose my enthusiasm for the truth he loves and the clarity of his words." --John Piper, Bethlehem Baptist Church, Minneapolis, Minnesota
