How could the peace and quiet of Ashe County, North Carolina (in the mountains, at the Virginia-Tennessee corner), turn into a nightmare of crime and drugs, and the old copper mine itself become a dumping ground for the dead? In 1982, two bodies had been chipped from an icy grave and brought up from the 250-foot mine shaft where they had been thrown while still alive. Now, there were rumors of 21 bodies still down there. If the mine was ever re-opened, what would they find--copper or bodies? Murder, drugs, prostitution and gangs come together in the history of the Ore Knob Mine. A small Appalachian community became the heart of a vicious drug ring ruled by the Outlaws motorcycle gang from Chicago. Ashe County made national headlines when a police informant came forward confessing that he had pushed a man alive into the Ore Knob Mine shaft. This book is the full story.

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--

Presents archaeological evidence of a significant flood around 5600 B.C.E. that raised water surfaces some three hundred feet, noting discoveries beneath the Black Sea that indicated that it used to be a freshwater lake and that houses once stood there. Reprint.

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Winner! - CMI Management Book of the Year 2017 – Practical Manager category Master the art of negotiation and gain the competitive advantage Now revised and updated, the second edition of The Negotiation Book will teach you about one of the most important skills in business. We all have to negotiate at some point; whether in the office or at home and good negotiation skills can have a profound effect on our lives – both financially and personally. This book delivers it, whilst ensuring the other party also comes away feeling good about the deal. Nothing will put you in a stronger position to build capacity, build negotiation strategies and facilitate negotiations through to successful conclusions. The Negotiation Book: Explains the importance of planning, dynamics and strategies Will help you understand the psychology, tactics and behaviours of negotiation Teaches you how to conduct successful win-win negotiations Gives you the competitive advantage

"Stephen Van Evera's Guide to Methods makes an important contribution toward improving the use of case studies for theory development and testing in the social sciences. His trenchant and concise views on issues ranging from epistemology to specific research techniques manage to convey not only the methods but the ethos of research. This book is essential reading for social science students at all levels who aspire to conduct rigorous research."—Alexander L. George, Stanford University, and Andrew Bennett, Georgetown University "Van Evera has a keen awareness of the questions that arise in every phase of the political science research project—from initial conception to final presentation. Although others may not agree with all of his specific advice, all will appreciate his user-friendly introduction to what is sometimes seen as an abstract and difficult topic."—Timothy J. McKeown, University of North Carolina, Chapel Hill For the last few years, Stephen Van Evera has greeted new graduate students at MIT with a commonsense introduction to qualitative methods in the social sciences. His helpful hints, always warmly received, grew from a handful of memos to an underground classic primer. That primer has now evolved into a book of how-to information about graduate study, which is essential reading for graduate students and undergraduates in political science, sociology, anthropology, economics, and history—and for their advisers.
