Genius at Play is a hybrid biography/autobiography – while Siobhan Roberts is the nominal author, verbatim quotes from Conway are so plentiful and sometimes lengthy that they get their own font, and even that’s not enough – quite often I got the impression that stories covered by Roberts could only have come directly from Conway.

Review: Genius at Play: The Curious Mind of John Horton ...

Genius at play: The curious mind of John Horton Conway by Siobhan Roberts I haven't read a biography quite like Siobhan Roberts' biography of John Conway: it feels more like meeting and entering a collaboration with Conway than a biographical account of his life and work. But the experience of being swept along on a wild ride seems appropriate, and Roberts creates a very unusual and human ...

Genius at Play John Horton Conway is a singular mathematician with a lovely loopy brain.

Genius at Play | Siobhan Roberts

Fascinating biography of a stellar mathematician. He's infinitely talented, but seriously unbalanced. The book presents an affectionate but serious look at his career, strange habits, and obsessions, replete with quotes from the subject and entertaining opinions on being chronicled. It's more like a conversation than a novel.
