## **Global Perspectives On Small And Medium Enterprises And**

Small and medium enterprises, which played a crucial role in job creation and economic growth in the early and mid-2000s, incurred major setbacks during the Great Recession. In the European Union, SME employment fell by over three million jobs in 2009-10. American SMEs, which account for over 99 percent of non-farm employment in the United States, also reeled under the impact of the global downturn.

Cambridge IGCSE Global

# Read Book Global Perspectives On Small And

Perspectives is a groundbreaking and stimulating course that stretches across traditional subject boundaries and develops transferable skills. It is both cross-curricular and skills-based and taps into the way learners of today enjoy learning, including team work, presentations, projects, and working with other learners around the world.

## **Cambridge IGCSE Global Perspectives (0457)**

A global perspective is a comprehensive lens through which you see the world around you. It shapes how you perceive and understand your own identity and the identity of people you interact with, as you begin to understand what goes into shaping culture.
