I love this book. Told as a story, GRANDMA ELEPHANT'S IN CHARGE emphasizes the elephant social structure and it also packs in a lot of zoological information about elephant characteristics and habitat. Two fonts are used to distinguish the main story from the labels or added information. The illustrations are warm blue and earth tone paintings.

A Ministry of Defence (MOD) service inquiry, published on Friday, highlighted short-comings in estimating how long it would take to get a casualty from a remote location to the nearest hospital.
