So I guess the verdict is clear now, Mulan on Disney Plus Premier Access was a failed experiment. Other Disney has declined to release numbers for Mulan, which tbf wouldn't be that out of the ordinary, as Disney+ hasn't released numbers for anything other than subscriber totals (though Universal did make a big deal about how Trolls: World Tour made \$100M).

Think you know the law? Guess again—the cases on this docket

Read Free Guess The Verdict

may open your eyes and have you arguing for appeal. They're drawn from actual United States court records and selected for their intriguing facts and surprising outcomes. Can you figure out the verdicts? The answers are not as obvious as you might think. Experienced attorneys will enjoy testing their knowledge, and so will anyone interested in a challenging game that is certain to provoke heated discussions among friends. The cases are organized according to typical law school curricula, and each decision includes the court holdings and a brief explanation. In addition to such areas as contract and criminal law, the cases include second and third year "electives," like wills and estates.

Confronted with the martyrdom of a Christian missionary, attorney Brad Carson files a civil-rights suit against Saudi Arabia and gambles his case, his career, and the lives of those he loves on his ability to find justice.

When Terry Flynt gets the chance to defend a millionaire accused of murder he knows that the case could make his career, but the accused man is Flynt's greatest enemy—can he defend a man who ruined his life? Terry Flynt is a struggling legal clerk, desperately trying to get promoted. And then he is given the biggest opportunity of his career: to help defend a millionaire accused of murdering a woman in his hotel suite. The only problem is that the accused man, Vernon James, turns out to be not only someone he knows, but someone he loathes. This case could potentially make Terry's career, but how can he defend a former friend who betrayed him so badly? With the trial date looming, Terry delves deeper into Vernon's life and is forced to confront secrets from their shared past that could have devastating consequences for them both. For years he has wanted to witness Vernon's downfall, but with so much at stake, how can Terry be sure that he is guilty? And what choices must he make to ensure that justice is done?

First published in 1962, this is the biography of American journalist, novelist and screenwriter Adela Rogers St. Johns ' father, Earl Rogers, a renowned Los Angeles criminal defense lawyer in the early 20th century. St. Johns draws on a succession of her father ' s well-known court trials, including the trial that centered on perhaps the most famous lawyer-client disagreements recorded in legal history: those that developed between Clarence Darrow, indicted for attempted jury bribery in Los Angeles in 1912, and Earl Rogers himself. St. Johns ' fascinating book was adapted for a TNT television film of the same name in 1991, starring Treat Williams as Earl Rogers and Olivia Burnette as the young Adela Rogers St. Johns.

Examines ten of the most famous criminal cases in history, juxtaposing two at a time to show that similar cases may result in different verdicts. The reader is asked to guess each verdict before it is revealed.

This book shows that the known accounts of Galileo's trial leave many important facts unexplained or even clash with them. A most careful reading of the relevant documents and treatises backs an interpretation which has Pope Urban VIII sue Galileo for denying God's omnipotence or His omniscience by admitting the « absolute truth » of Copernicanism. The Pope's opinion results from an argument he fully trusts, together with his belief that Galileo failed to fulfill a condition to which the publication of the Dialogue was subjected. That the trial does not end with a conviction for Urban's awful « formal heresy » but merely for « vehement suspicion of heresy » , with the « heresy » consisting in the pseudo-heretical belief in a doctrine contrary to the Bible, all this is due to the existence of a Galileo-friendly party inside the Holy Office, led by Cardinal Francesco Barberini and powerful enough to wring a compromise from the Pope.

A murdered daughter. A son condemned. This is the story of the ones left behind... Alice Goodman lost her daughter to a brutal murder. She's fought tirelessly for two decades to see justice served, and the day has finally arrived. After 20 years of anguish and struggle, the much-delayed execution will finally take place. Can Alice find the peace that has long eluded her? Lori Williams knows beyond a doubt that her son isn't capable of murder. She's confronted challenge after challenge to find out the truth. But after decades of fighting for justice, Lori is at the end of the line. Will her quest for truth be enough to save her son? In a style that is equal parts John Grisham and Jodi Picoult "The Last Verdict" is a moving story about two strong women who suffer unimaginable loss in pursuit of justice and how their paths come together in the most unexpected way. Praised by bestselling authors and Hollywood stars, this is a novel that will change the way you see the world. Buy "The Last Verdict" today!

A near-future legal thriller from the bestselling author of *The Devil's Advocate*, "an expert weaver of suspense" (*Fresh Fiction*). In this dizzying novel of speculative fiction, the legal system is picked apart for all the fault lines upon which justice quakes. Imagine a system wherein a pool of professional jurors is trained to judge evidence objectively. It's clean, it's fair, it's infallible. But when the jury foreman goes missing, the FBI puts agents Holland Byron and new recruit Wyatt Ert on the case. Soon other jurors go missing and turn up dead—as do their wives and husbands. Is the entire program under attack or is it just guilty defendants exacting their revenge? The shocking discoveries Byron and Ert make about the new legal system turn a sci-fi detective story into a challenge on the nature of man and the pursuit of good and evil in an increasingly impersonal world. "Neiderman's forte has always been his intricate, suspenseful stories." —Booklist "Neiderman never lets his audience down." —West Coast Review of Books

Read Free Guess The Verdict

Fate throws a curveball at the San Francisco ex-husband-and-wife legal team of Mike Daley and Rosie Fernandez, when Mike picks up the phone and hears the voice of Leon Walker. This is not good news-because Walker was the one who ruined their marriage. Years ago, he and his brother participated in a stickup that left a man dead. Through a series of (some said) questionable maneuvers, Mike got the charges dropped, but he and Rosie fought about it all the time and it finally drove a wedge between them. Now, a Silicon Valley venture capitalist has been found dead in a dumpster on San Francisco's skid row. The new murder has been pinned on Walker, but he not only tells Mike he is innocent, he says he is a dying man and doesn't want to go to his grave proclaimed a murderer. Dogged investigation, courtroom nimbleness, and a healthy dose of luck usually have helped Mike before, but it looks like it'll take more than that to prevail this time, and his time is running out-both on his client and, just maybe, on his partnership. Filled with wonderful characters and suspense and more than a touch of humor, Reasonable Doubt is, like the author's first three books, a page-turner.
