No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, The Book on Managing Rental Properties takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover: - The subtle mindset shift that will increase your chance at success 100x! - Low-cost strategies for attracting the best tenants who won't rip you off. - 7 tenant types we'll NEVER rent to--and that you shouldn't either! - 19 provisions that your rental lease should have to protect YOU. - Practical tips on training your tenant to pay on time and stay long term. - How to take the pain and stress out of your bookkeeping and taxes. - And much more!

You've probably got a good toolkit for emergency repairs and routine maintenance. But do you have the tools you need to draft a legally valid lease or write a move-out letter that will protect you later?

While there are some renters who view renting an apartment or a house as a failure, there are others who see the benefits there are to be gained from renting a property as opposed to purchasing a property. Some of the benefits of renting include the ability to save money while renting for the purpose of purchasing a home, few maintenance requirements and the inclusion of amenities which the renter would not likely be able to afford if they were to purchase a home instead of renting. Although there are some negative aspects to renting an apartment, this article will focus exclusively on the benefits of renting a property. Grab this ebook today to learn everything you need to know.

Deciding whether to rent an apartment or a house can be a very difficult decision for some renters. There are certain advantages and disadvantages to each option. The renter should carefully consider these points when making his decision. Whether or not an apartment rental or a home rental is ideal for a particular renter will largely depend on his personal preference as well as his current needs in a living situation. For some renting an apartment is perfect while others find a home rental meets their needs best. This article will examine the advantages and disadvantages of each situation to help readers make a more informed decision regarding the type of rental situation which may be beneficial to them.
