*9780895295187 - How I Conquered Cancer Naturally by Mae ...*

The book I read was published in 1992 which spoils the narrative for me because Eydie Mae died in 1984. So much for her claim to have conquered cancer! However, if the book had had an afterword which addressed this, it would not be problematic. Cancer kills even if you choose traditional medical procedures like surgery, radiation or chemotherapy.
