THE SCHOOL OF LIFE IS DEDICATED TO EXPLORING LIFE'S BIG QUESTIONS IN HIGHLY-PORTABLE PAPERBACKS, FEATURING FRENCH FLAPS AND DECKLE EDGES, THAT THE NEW

YORK TIMES CALLS "DAMNABLY CUTE." WE DON'T HAVE ALL THE ANSWERS, BUT WE WILL DIRECT YOU TOWARDS A VARIETY OF USEFUL IDEAS THAT ARE GUARANTEED TO STIMULATE, PROVOKE, AND CONSOLE. We all want to live in a better world, but sometimes it feels like we lack the ability to make a difference. Author, broadcaster, and journalist John-Paul Flintoff offers a powerful reminder that through the generations, society has been transformed by the actions of individuals who understood that if they didn't like something, they could change it. Combining fresh new insights from history and other disciplines, this book will give you a sense of what might just be possible, as well as the inspiration and the courage you need to go about improving and changing the world we live in.

Create a world-changing venture. Silicon Valley's latest trend for creating new ventures is based on trial and error: test market needs with new product concepts and a minimum amount of capital, expect that the product may not meet the market need, so fail fast and try another product with the hope that a product-market fit will eventually emerge. But this fail fast, step-and-pivot philosophy is like taking a random walk in the forest without a compass. *If You Really Want to Change the World* is about helping entrepreneurs find true north. Henry Kressel and Norman Winarsky—technologists, inventors, and investors with stellar track records—provide a guide for those who wish to create a market-leading company that will have a real impact: a disciplined and staged approach they have used to launch, invest in, and develop scores of highly successful companies. *If You Really Want to Change the World* leads entrepreneurs through the critical stages of venture development, from concept to acquisition or public offering to maintaining a rich culture of innovation in the company. It is a guide by innovators for innovators, with approaches that are practical and timeless. Drawing on the authors' experiences as well as those of their partners from around the world, Kressel and Winarsky share the stories of their triumphs and misses, demonstrate their method in action, and inspire their readers in the process. There are more opportunities now than ever before to build breakthrough companies that touch millions of lives. If this is your goal, let this book be your guide to creating world-changing ventures.

Whatever the desire of your heart—better schools, better neighborhoods, more positive workplaces, more connected families, or more engaged communities—*Change Your World* will guide you through the entire process to take action and start making an impact today right where you are. You can bring about positive, lasting change in the world, and you don't have to be rich and famous or lead a big organization to do it. Global leadership and development icons John C. Maxwell and Rob Hoskins provide the inspiring and practical roadmap to get started being the change you want to see—in your community and beyond. For many of us, the world we live in feels broken, yet change is easier than we think. Learn from the firsthand experiences shared by the authors from their work helping to transform communities, businesses, and millions of lives around the world. In *Change Your World*, they show you how to Identify your cause Live out the values that make a difference Become a catalyst for change Join the right team or recruit one of your own Work together with others to make a difference Measure your impact and keep improving You'll not only be encouraged to make a difference based on the needs you see around you; you'll be equipped to take action and start making an impact today.

So You Want to Change the World? is a compilation of twelve authors' perspectives on how you can make a positive difference in your world. Some key themes include: Doing the same things and expecting change. Church-as-usual isn't working. God can do amazing things with humble, broken vessels. The Secret Place is the key to hearing Heaven's heartbeat and bringing God's will to earth. Change can come through miracles, worship, and intercession. The essays reflect a variety of inspiring and exciting thought from Patricia King's exhortation to "go for it" to Doug Alexander's in-depth look at Psalm 45. You are encouraged and will be motivated to think and act beyond your normal routine and traditions—stretching yourself for the sake of bettering your world for His glory.

Kids around the world are working together to make our planet a better, safer, happier place—and now you can join in with this practical guide! *You Can Change the World* empowers kids to make changes in their lives and communities with the powerful message that anyone can make a difference in the world. This colorfully illustrated book is packed with information, ideas, and activities for everyday sustainability—like mending clothes, composting, and avoiding single-use plastics. Interspersed throughout are features on children around the globe who are making a difference, such as Greta Thunberg or Solli Raphael, reminding kids that ordinary people can spark extraordinary change.

The call to make the world a better place is inherent in the Christian belief and practice. But why have efforts to change the world by Christians so often failed or gone tragically awry? And how might Christians in the 21st century live in ways that have integrity with their traditions and are more truly transformative? In *To Change the World*, James Davison Hunter offers persuasive—and provocative—answers to these questions. Hunter begins with a penetrating appraisal of the most popular models of world-changing among Christians today, highlighting the ways they are inherently flawed and therefore incapable of generating the change to which they aspire. Because change implies power, all Christian eventually embrace strategies of political engagement. Hunter offers a trenchant critique of the political theologies of the Christian Right and Left and the Neo-Anabaptists, taking on many respected leaders, from Charles Colson to Jim Wallis and Stanley Hauerwas. Hunter argues that all too often these political theologies worsen the very problems they are designed to solve. What is really needed is a different paradigm of Christian engagement with the world, one that Hunter calls

"faithful presence"--an ideal of Christian practice that is not only individual but institutional; a model that plays out not only in all relationships but in our work and all spheres of social life. He offers real-life examples, large and small, of what can be accomplished through the practice of "faithful presence." Such practices will be more fruitful, Hunter argues, more exemplary, and more deeply transfiguring than any more overtly ambitious attempts can ever be. Written with keen insight, deep faith, and profound historical grasp, To Change the World will forever change the way Christians view and talk about their role in the modern world.

In *The Missing Myth*, Gilles Herrada tackles the many questions about the role and meaning of homosexuality in the evolution of our species and the development of civilization: what evolutionary edge same-sex relationships have provided to the human species; what biological mechanisms generate the sexual diversity that we observe; why homosexual behavior ended up being prohibited worldwide; why homophobia has persisted throughout history; why the homosexual community resurfaced after World War II; and others. In this heartfelt, beautifully written, and painstakingly researched text, the author sculpts a vision of homosexuality that integrates its many dimensions. Stressing the connection between the social status of homosexuality and how same-sex love is depicted in the myths of a particular culture, *The Missing Myth* advocates the creation of a new mythos not only informed by all the fields of knowledge, but also inclusive of the beauty, truth, and goodness of same-sex love.

How to make disciples using hospitality Deep down, every Christian wants to make a difference. But for many of us, the years come and go and we never do. The good news is: change can be as simple as opening your front door. *The Simplest Way to Change the World* is about biblical hospitality and its power for the gospel. Since people will sooner enter a living room than a church, hospitality is a natural and effective way to build relationships for Christ. You'll learn: How the home can be a hub for community How hospitality leads to joy, purpose, and belonging How it grows families to love the things of God How it's not about being the perfect host How to be hospitable regardless of your living space Hospitality is a beautiful legacy of the church, and a great way to make disciples. As you open your life up to others, you share in the very character of God and experience His joy. And you get to witness lives change—including your own. Includes 20+ creative ideas for hospitality, plus questions for small groups

Women Change the World is a collection of world-changing women--from actresses, recording artists, and writers to businesswomen and other high-profile female professionals--on women's unique contributions to society. *Women Change the World* will be released in conjunction with the California Women's Conference, which offers its attendees inspiration, resources, and connections to take the next steps in their businesses, personal development, or philanthropic endeavors. 2012's conference speakers included Marcia Cross, Donna Karen, Gloria Allred, and many others. *Women Change the World* aims not only to show how women can be the heart of success, but also to inspire other women to go out and change the world themselves.
