This book grew out of a need. Recently, I was asked to play during

several funerals, with the request being to "just play some hymns." When I began looking for material, I found a wealth of wonderful arrangements for fingerstyle guitar, but none of them were going to work for me in this situation. Naturally, I had only a few days' notice, so I wasn't going to learn and memorize complex arrangements, no matter how beautiful they were. Even the simplest arrangements I found were many pages long, and I didn't want to be turning pages during a funeral service, the way I would if I tried to read the music rather than memorize it. I also realized that in this setting, the focus wasn't on me, or how clever or complex the music was. I just needed to play appropriate music for the occasion that helped set the mood and that didn't detract from the service. Uncomplicated, melodic arrangements would be a plus. My solution forms the basis of this book - my own arrangements that are simple, almost "sketches" of an arrangement. What I decided I needed was a type of book known as a "fake book" in jazz circles - but for hymns - and designed for solo fingerstyle guitar. Jazz fake books are typically limited to just chord names and perhaps melody. I wanted a bit more than that - basically easily-playable arrangements with no complicated parts, and designed to be extended on the fly. Hymns: Abide With Me Amazing Grace A Mighty Fortress is Our God Be Thou My Vision Blessed Assurance Come Thou Fount of Every Blessing Fairest Lord Jesus Faith of Our Fathers For the Beauty of the Earth He Leadeth Me Holy, Holy, Holy I Have Decided to Follow Jesus In the Garden Jesus Loves Me Jesus, Keep Me Near the Cross Just As I Am Love Lifted Me Praise Him, Praise Him Sweet Hour of Prayer The Old Rugged Cross This is My Father's World Turn Your Eyes Upon Jesus We Are Climbing Jacob's Ladder What a Friend We Have in Jesus Whispering Hope
