Most nonfiction books have between 5 and 20 chapters. Any less than 5 and your chapters may be running long or may contain too many ideas. That said, there are plenty of books with 30 or 40 chapters. And some books, usually with very short chapters, can have 50+.

How Long Should a Book Chapter Be? [& Does It Matter?]

Textbook chapters often include a preview paragraph before the first bolded headline. Before getting into the real content of the chapter, write down a summary of this preview paragraph in the outline. Your goal here is to give yourself a good idea of what the chapter is about. This particular preview paragraph is short.
