terms of present-day challenges and concerns. Conceptual links are provided to help students understand the over-arching big questions that relate economics to the multi-faceted challenges of the world economy including how it works and changes over time. Through inquiry-based tasks and links to TOK and ATL activities students will gain a deep understanding of economics. Practice activities will develop the skills required to succeed in the IB assessment including exam-style questions and data response questions. Clear explanations will help students achieve assessment success. About the Series: Oxford's IB Diploma Course Books are essential resource materials designed in cooperation with the IB to provide students with extra support through their IB studies. Course Books provide advice and guidance on specific course assessment requirements, mirroring the IB philosophy and providing opportunities for critical thinking.

Arranged in four sections, provides review exercises and past examination questions for topics in microeconomics, macroeconomics, international economics, and development economics.

Our bestselling IB Diploma course book for Economics has been revised and updated in line with the 2011 syllabus change. Now in colour, with increased diagrams and photographs to support students' learning as well as a CD-ROM that contains 17 handy revision sheets, specimen papers, glossary, and weblinks for further research.

Directly linked to Oxford's bestselling DP Economics resources, this new Course Preparation resource thoroughly prepares students to meet the demands of IB Diploma Programme Economics. Ideal for students who have studied non-IB courses at pre-16 level, the text introduces learners to the IB approach, terminology and skills.

Ensure students can aim for their best grade with the help of accurate and accessible notes, expert advice, and exam-style questions on each key topic. - Builds revision skills through a range of strategies and detailed expert advice - Covers all the knowledge with concise, clear explanations of all the syllabus requirements and topics - Demonstrates what is required to get the best grades with tips, sample questions and model answers Answers are free online at [www.hoddereducation.com/IBextras](http://www.hoddereducation.com/IBextras)

Build skills directly relevant to IB assessment Written by an IB examiner and designed to solidify all the skills central to IB assessment, this focused study tool comprehensively matches the 2011 syllabus at SL and HL. Targeted skills development exercises and worked examples along with step-by-step support for the new quantitative element ensure exceptional achievement. · Multiple activities to practice essential skills, improving exam performance · Information on designing, selecting and using diagrams to explain
