supplemented by scale armour since the Warring States period or earlier. Partial plate armour was popular from the Northern and Southern dynasties (420-589), and mail ...

Chinese armour - Wikipedia
History of military organization. The military history of China stretches from roughly 2200 BC to the present day. Chinese armies were advanced and powerful, especially after the Warring States period. [citation needed] These armies were tasked with the twofold goal of defending China and her subject peoples from foreign intruders, and with
