The Complete Job Hunt Guide 1)
Before applying for a job- Laying the foundation. A building without a good foundation cannot last long. One just needs to look at the example of the Leaning Tower of Pisa to see how things can go south (quite literally in this case!) if a building's foundation is weak.

This goes beyond just job hunting, or even preparing for a future job change.

It's also a way to build business contacts to help you in your current job. I read a fascinating article once about an entrepreneur who had the only store of her kind in her area, when a competitor moved in.
