"Let me speak" is a great testimony of the rough life in Bolivian mines in the XXth century through the eyes of a miner's daughter and wife. Domitila Barrios de Chungara is at once brutally honest and justifiably outraged about the exploitation and terrible repression of the miners and their families.

In Let Me Speak! (the Spanish title *Si me permiten hablar* is much more tentative, and reflects the nervousness Domitila said she felt when she first stood up to speak at the 1976 conference) she writes of the death of her mother when she was only ten years old, and how she had to then start looking after her young sisters, with little help from her father.
