One of the key findings from Business in the Community's Race at Work survey (2015) of 24,457 people was that employees from all ethnicities in the workplace said that their employers were not comfortable talking about race. The survey found that conversations around age, gender and sexuality are much easier to have than conversations about race. I then began conversations with people from many different racial backgrounds about their experiences of talking about race.

Let's Talk About Race - Business in the Community  
Let's Talk about Race is narrative by Julius Lester, and illustrated by Karen Barbour about the authors perspective on race. This book doesn't have a main character, but rather a collection of characters. If there is a main character, it is the author himself.

Let's Talk about Race by Julius Lester - Goodreads  
Let's Talk About Race: Creating an Inclusive Workplace Culture. The 2018 Race in the Workplace Survey revealed that only 38% of employees believed their employers felt comfortable talking about race in the workplace. The global impact and ripple effect of the Black Lives Matter movement is being felt keenly in many UK based workplaces.

Let's Talk Racism is a safe, inclusive platform for everyone, regardless of their race, striving for a racist free world. We know it can be hard to talk about race and racism. However, we believe it's important that we do. This platform is, therefore, for anyone and everyone who wants to better their understanding of racism and topics which surround it.

Let's Talk Racism without being racism, the anti-racist ...

Let's Talk About Race discusses the philosophy of story-telling, especially as it pertains to race and equality. Author Julius Lester invites you into his book by writing, "I am a story. So are you." He discusses how each individual has many different elements to their story, from family, to name, to likes and dislikes, and maybe even race.

Let's talk about racism - report. Executive Summary. Trade unions have a long history of opposing racism and discrimination in the workplace. In recent years, though, the debate has narrowed to focus only on access to work. This has obscured the daily reality of racism at work for many BME workers – and has reduced the focus on stopping it.

Let's talk about racism - report | TUC  
Our 'Let's talk about race' discussion was chaired by Sheri Hughes, UK Diversity & Inclusion Director, PageGroup. It saw our diverse panel of experts, Fiona Daniel, Co-Founder, Black Leaders Network, Dan Robertson, Director, VERCIDA Consulting, Ahmed Farooq, Chief Financial Officer, Wesleyan, and Sheela Sharma, Chief Operating Officer. Candestic examine the complexities of race and also talk about their own experiences.
