" Maps activity book " at Usborne Children ' s Books

The MAPS ACTIVITY BOOK from Big Picture Press is a delightful drawing, learning, and coloring book designed to teach kids about the wide world around them. I loved the simple designs and interspersed blue/green/tan coloration throughout, which allowed for the "readers" own imagination to really come through onto the page.

Maps & Activity Books | LeapFrog

The MAPS activity book is filled with loads of great activities, all based on encouraging children to learn and discover the different countries, continents and cultures around the world. There ' s a page, for example, that encourages children to colour the 50 different states of America, using only four colours, and without letting any of the colours touch — a fun, yet challenging activity that my 9-year-old really enjoyed.
