Narrative theory also has some excellent techniques that can be used in supervision as well. This interactive webinar will explore the use of Narrative therapy techniques in supervision and how they can be useful for supervisors at all levels. It will include very practical and hands on knowledge that can be applied in supervision sessions.

~~Narrative Therapy Techniques in Supervision - CEU'S for ...~~

Narrative training emphasizes the recognition of one's own expertise, and a deconstruction of the hierarchy between supervisor/trainer and supervisee/trainee. Michael White (1989) has cautioned trainers to recognize that supervision/training "might encourage participants to surrender their own 'hard won' knowledges and submit to the authority of teacher/supervisor" (p. 33).

Kim Billington has many years experience bringing Narrative Therapy into supervision practice. Kim uses a Narrative Therapy framework, so you will benefit in having first-hand experience with many key Narrative Therapy tools such as externalising, re-authoring, narrative documents, re-membering and outsider-witness practices. The supervision group offers a safe and dynamic learning space, time for reflection, discussion and feedback.
