In this exciting new text, leading historians reflect on key developments in their fields and argue for a range of 'new directions' in social and cultural history. Focusing on emerging areas of historical research such as the history of the emotions and environmental history, *New Directions in Social and Cultural History* is an invaluable guide to the current and future state of the field.

Library in Business and Management) 1 by Crane, Andy (ISBN: 9780857029881) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

Explains how libraries and communities can work together to strike a true partnership with the young adults in their community to develop services for teens that are both collaborative and outcome-driven.

Aimed at practitioners and students of

Access Free New Directions In Library And Information Science Education

librarianship, this book is about interesting and unusual practical projects currently being run by academic liaison librarians. It shows how liaison librarians can extend their roles beyond the established one of information literacy teaching and showcases areas in which they can engage in collaborative ventures with academic and administrative staff. Designed to excite and inspire, *New Directions for Academic Liaison Librarians* demonstrates the potential of the liaison role and emphasises the need for flexibility, imagination and initiative in those who hold these posts. Unique in

Access Free New Directions In Library And Information Science Education

concentrating on the role of the new community of academic liaison librarians
Recognises the wider possibilities for development open to this different new breed of information specialist
Written by a practitioner in the field

Since 1936, the New Directions in Prose and Poetry anthologies have served as vehicles for the presentation of new and variant trends in world literature.
