Absolutely adored NOT YET, ZEBRA! ~~TTTTTTTTTTTT~~ It's a fun, fresh romp through the ABCs, and Zebra won't wait his turn. My toddler and preschooler loved naming all the animals & laughing at Zebra's silly antics! It's fun for the family and great for practicing and reinforcing those abc sounds.

/ What did I say? / Not yet, Zebra. Please go away!" Zebra (not unlike Mo Willems' Pigeon, though nonverbal) turns out to be hard to discourage, but sad looks, disguises, and pushy behavior all turn out to be equally fruitless. And, when Zebra's turn finally, finally comes, he's nowhere to be found—having, no surprise, fallen asleep in bed. Like the young artist, budding abecedarians will be amused.

A celebration of colours and patterns from the pair that brought you bestseller NOT YET, ZEBRA. Annie said to the animals, "Let's help baby Joe. He's learning his colours, which he doesn't yet know. I'll paint pictures of you - please line up for me. If I use the right colours then Joe will soon see." Everyone's favourite, enthusiastic zebra is back, eager to get in on the act as Annie tries to teach her little brother about colours. From an award-winning young author, a novel following a feisty heroine's quest to reclaim her past through the power of literature—even as she navigates the murkier mysteries of love. Zebra is the last in a line of anarchists, atheists, and autodidacts. When war came, her family didn't fight; they took refuge in books. Now alone and in exile, Zebra leaves New York for Barcelona, retracing the journey she and her father made from Iran to the United States years ago. Books are Zebra's only companions—until she meets Ludo. Their connection is magnetic; their time together fraught. Zebra overwhelms him with her complex literary theories, her concern with death, and her obsession with history. He thinks she's unhinged; she thinks he's pedantic. Neither are wrong; neither can let the other go. They push and pull their way across the Mediterranean, wondering with each turn if their love, or lust, can free Zebra from her past. An adventure tale, a love story, and a paean to the power of language and literature starring a heroine as quirky as Don Quixote, as introspective as Virginia Woolf, as whip-smart as Miranda July, and as spirited as Frances Ha, Call Me Zebra will establish Van der Vliet Oloomi as an author "on the verge of developing a whole new literature movement" (Bustle).

Say goodnight with zebra in this soothing bedtime board book. "It's bedtime now - The day has gone, It's time to put those pajamas on..." Get ready for bed with the zebra character in this adorable board book, which features cute illustrations and a simple, soothing, rhyming story with a humorous surprise (the zebra is really a horse in striped pajamas!), emphasizing the importance of a healthy lifestyle and preparing for a good night's sleep.

As a group of African animals hang out at the local watering hole, they share funny stories about how the zebra got its stripes. At the end of the book, fun facts explain why zebras really have stripes. For any child intrigued by zebras, this colorful, informative book is a must!

Inspired by her brooding grandmother to strive for excellence in all things, resourceful 11-year-old Annie lies to her social worker and invents imaginative stories about her murdered father, until an escaped fugitive takes her family hostage, upending everything she thought she knew about herself, her family and their past. A first novel.

Violet loves the milkshakes at Udderly Perfect, the coolest cafe around. But Udderly Perfect is threatened with closure, all because of a mistake Violet made. She must find a way to keep it open. Perhaps she can persuade her favourite celebrity stunt woman, Stella Lightfoot, to join the campaign when she comes to town on a book tour?

Set against the backdrop of the migration of animals from Tanzania to Kenya, First Come The Zebra highlights the importance of sharing. Animals share the grassland, each taking only what it needs, whilst Abaani and Haki, boys of rival tribes, hope that their communities will also find their own way to coexist peacefully and share the land. Within friendship lies a much stronger message about peaceful resolution and hope for the future. This heart-warming, award-winning tale is now out in paperback.

Little Zebra dancing, prancing, jumps without a care - - until she loses her Mama! As the zebra herd moves on the African plains, Mama is not far behind and helps her young one find the herd again. A sweet story of youthful adventure and motherly love, told with short rhyming lines and warm illustrations. Written by preschool teacher Julie Abery and captured by Suzie Mason's beautiful artwork, this book in Little Animal Friends board book series will delight babies and toddlers and demand to be read again and again.
