Impressionist painting comprises the work produced between about 1867 and 1886 by a group of artists who shared a set of related approaches and techniques. The most conspicuous characteristic of Impressionism in painting was an attempt to accurately and objectively record visual reality in terms of transient effects of light and colour. In music, it was to convey an idea or affect through a wash of sound rather than a strict formal structure.

~~Impressionism | Definition, History, Art, & Facts | Britannica~~

Impressionist art is a style of painting that emerged in the mid-to-late 1800s and emphasizes an artist's immediate impression of a moment or scene, usually communicated through the use of light and its reflection, short brushstrokes, and separation of colors. Impressionist painters, such as Claude Monet in his "Impression: Sunrise" and Edgar Degas in "Ballet Class," often used modern life as their subject matter and painted quickly and freely, capturing light and movement in a way that had ...

Impressionism is a 19th-century art movement characterized by relatively small, thin, yet visible brush strokes, open composition, emphasis on accurate depiction of light in its changing qualities (often accentuating the effects of the passage of time), ordinary subject matter, inclusion of movement as a crucial element of human perception and experience, and unusual visual angles. Impressionism originated with a group of Paris-based artists whose independent exhibitions brought them to ...

The Origins of Impressionism Thomas Eakins at the Met. Impressionism has suffered more attention than anything in art before Andy Warhol's social life. So when the Met promises the "The Origins of Impressionism," one has only a right to expect newly revealing perspectives and, of course, knockout art. This show has both, but too intermittently.

1869-71: Louveciennes and London, forming the Impressionist painting style. Pissarro's Impressionist painting style clearly emerged when he was based at Louveciennes (about 18km west of Paris, on the road to Versailles) for about a year, from May 1869 through July 1870 when the war with Prussia broke out. Pissarro moved to Louveciennes from Pontoise, was joined in the area by Monet (based at Bougival) and Renoir, then Sisley, also Guillaumin.

The popularity of Expressionism increased when Antonin Matějček in 1910 coined the term. With this word the Czech art historian intended to denote the opposite of Impressionism and indicate one of the main currents of art that expresses highly subjective, personal, spontaneous self-expression typical of a wide range of modern artists. Whereas the Impressionists sought to express the majesty of nature and the human form through paint, the Expressionists, according to Matějček, sought to ...
