syllabus is designed for learners who are learning Mandarin Chinese as a foreign language. The aim is to develop an ability to use the language effectively for practical communication. The course is based on the linked language skills of listening, reading, speaking and writing, and these are built on as learners progress through their studies. The syllabus also aims to offer insights into the culture of countries where Mandarin Chinese is spoken, thus encouraging positive attitudes towards language learning and towards speakers of other languages. In 2021 Edition, we add: Vocabulary Builder and Expansion
:Reading Skills Writing Skills
