A political ideology is a set of ideas, beliefs, values, and opinions, exhibiting a recurring pattern, that competes deliberately as well as unintentionally over providing plans of action for public policy making in an attempt to justify, explain, contest, or change the social and political arrangements and processes of a political community.

Political Ideology - an overview | ScienceDirect Topics
What is political ideology? Political ideology is a set of beliefs that explain how society works and what the nature of individuals is. It also has a view of how things can be improved and how they should work.

What is political ideology? - Britpolitics
All political ideologies claim 'true' definitions of liberty, equality, justice, rights and the 'best' society. The 'particular group' mentioned above might be any social group: class, nation, profession, religious organisation, party or pressure group.

The role of ideology in politics and society in ...
Political ideologies have two dimensions: (1) goals: how society should be organized; and (2) methods: the most appropriate way to achieve this goal. An ideology is a collection of ideas. Typically, each ideology contains certain ideas on what it considers to be the best form of government (e.g. autocracy or democracy) and the best economic system (e.g. capitalism or socialism).

List of political ideologies - Wikipedia
Classical liberalism is a capitalistic ideology which stands for a limited government with political freedom, civil liberties and laissez-faire economic policies. Social or modern liberalism is liberalism which focuses on social and economic issues while ensuring individual freedom.
