Forget what prison movies depict about the necessity of joining a prison gang for survival. In most prisons, you do not need to join a gang for protection. I was never part of a prison gang and I never got beat up, stabbed, raped or anything like that.

When seventeen-year-old T. J. Parsell held up the local Photo Mat with a toy gun, he was sentenced to four and a half to fifteen years in prison. The first night of his term, four older inmates drugged Parsell and took turns raping him. When they were through, they flipped a coin to decide who would "own" him. Forced to remain silent about his rape by a convict code among inmates (one in which informers are murdered), Parsell's experience that first night haunted him throughout the rest of his sentence. In an effort to silence the guilt and pain of its victims, the issue of prisoner rape is a story that has not been told. For the first time Parsell, one of America's leading spokespeople for prison reform, shares the story of his coming of age behind bars. He gives voice to countless others who have been exposed to an incarceration system that turns a blind eye to the abuse of the prisoners in its charge. Since life behind bars is so often exploited by television and movie re-enactments, the real story has yet to be told. Fish is the first breakout story to do that.

She was released in 2014 after serving nineteen months for second-degree manslaughter.

"I would recommend A Day in Prison to anyone entering prison, as well as to the families who have someone going into the system." |Sal Luciano, nephew of mob boss Charles "Lucky" Luciano Twenty-four hours pass slowly in a prison. A Day in Prison will help new inmates understand what's ahead of them, hour by hour, and how to deal with the many challenges. From doing laundry in |the hole| to surviving a fight, this book offers invaluable advice for both prisoners and their families, as well as plenty of first-hand stories. Prison Coach John |Doc| Fuller illustrates what life is like behind bars from morning roll call to lights out, and a comprehensive description of the official prison rules and the inmates' |real| rules. The prison culture, detailed here, is maintained by violence; Fuller teaches inmates how to interact with convicts, prison guards, and administrators in different situations, so as to avoid bodily harm as much as possible, insisting prisoners embrace their new life as a cog in a system they cannot change. Fuller also offers specific suggestions for filling the hours in ways that benefit inmates in their daily prison life, provides meaning, and even prepares them for release. Also included is updated contact information for resources and helpful organizations. A Day in Prison is structured like an actual day in prison, tracking where in the building an inmate might be at any given point in a twenty-four hour period, what they should be doing at that time, and what to watch out for. This realistic, thorough guide is based on the author's own time in a federal penitentiary and his years coaching people|from soccer moms to NBA stars|on how to survive on the inside.

INSTANT NEW YORK TIMES BESTSELLER |If you're a fan like I am this is definitely the book for you. |Pete Davidson, actor, producer, and cast member on Saturday Night Live |Danny's incredible life story shows that even though we may fall down at some point in our lives, it's what we do when we stand back up that really counts. |Robert Rodriguez, creator of Spy Kids, Desperado, and Machete Discover the full, fascinating, and inspirational true story of Danny Trejo's journey from crime, prison, addiction, and loss|it's |enough to make you believe in the possibility of a Hollywood ending| (The New York Times Book Review). On screen, Danny Trejo the actor is a baddie who has been killed at least a hundred times. He's been shot, stabbed, hanged, chopped up, squished by an elevator, and once, was even melted into a bloody goo. Off screen, he's a hero beloved by recovery communities and obsessed fans alike. But the real Danny Trejo is much more complicated than the legend. Raised in an abusive home, Danny struggled with heroin addiction and stints in some of the country's most notorious state prisons|including San Quentin and Folsom|from an early age, before starting in such modern classics as Heat, From Dusk till Dawn, and Machete. Now, in this funny, painful, and suspenseful memoir, Danny takes us through the incredible ups and downs of his life, including meeting one of the world's most notorious serial killers in prison and working with legends like Charles Bronson and Robert De Niro. An honest, unflinching, and |inspirational study in the definition of character| (Kevin Smith, director and actor), Trejo reveals how he managed the horrors of prison, rebuilt himself after finding sobriety and spirituality in solitary confinement, and draws inspiration from the adrenaline-fueled robbing heists of his past for the film roles that made him a household name. He also shares the painful contradictions in his personal life. Although he speaks everywhere from prison yards to NPR about his past to inspire countless others on their own road to recovery and redemption, he struggles to help his children with their personal battles with addiction, and to build relationships that last. Redemptive and painful, poignant and real, Trejo is a portrait of a magnificent life and an unforgettable and exceptional journey.

A NEW YORK TIMES NOTABLE BOOK It is 1901 and Buffalo, New York, stands at the center of the nation's attention as a place of immense wealth and sophistication. The massive hydroelectric power development at nearby Niagara Falls and the grand Pan-American Exposition promise to bring the Great Lakes |city of light| even more repute. Against this rich historical backdrop lives Louisa Barrett, the attractive, articulate headmistress of the Macaulay School for Girls. Protected by its powerful all-male board, |Miss Barrett| is treated as an equal by the men who control the life of the city. Lulled by her unique relationship with these titans of business, Louisa feels secure in her position, until a mysterious death at the power plant triggers a sequence of events that forces her to return to a past she has struggled to conceal, and to question everything and everyone she holds dear. Both observer and participant, Louisa Barrett guides the reader through the culture and conflicts of a time and place where immigrant factory workers and nature conservationists protest violently against industrialists, where presidents broker politics, where wealthy |Negroes| fight for recognition and equality, and where women struggle to thrive in a system that allows them little freedom. Wrought with remarkable depth and intelligence, City of Light remains a work completely of its own era, and of ours as well. A stirring literary accomplishment, Lauren Belfer's first novel marks the debut of a fresh voice for the new millennium and heralds a major publishing event.

A collectible hardcover edition of Julia Alvarez's modern Latinx classic about four sisters known as Las Mariposas, or the Butterflies, who fought to liberate the Dominican Republic from Rafael Trujillo's dictatorship, featuring a new foreword by Maxine Hong Kingston A Penguin Vitae Edition It is November 25, 1960, and three sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of the dictatorship of General Rafael Leónidas Trujillo. It doesn't have to. Everybody knows of Las Mariposas--the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's storytelling, the martyred Butterflies live again in this novel of courage, love, and the human cost of political oppression. Penguin Vitae--loosely translated as "Penguin of one's life"--is a deluxe hardcover series from Penguin Classics celebrating a dynamic and diverse landscape of classic fiction and nonfiction from seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality.
